

Street Feast AudioVisual Release Form

Street Feast is a nationwide day to celebrate community across Ireland. Street Feasts are a chance to get to know neighbours, share good food and have a bit of fun.

An important part of our work is to document our initiatives for promotional materials so what we can encourage even more great feasts right across Ireland next year. We would be very grateful for your permission to include you in this.

I consent that Street Feast may take photographs or make audio visual recordings of me at Street Feast events. I give Street Feast permission to use photographic, video, digital and audio visual recordings of me, in all formats and all media and in all manners. I understand that some of the material may be edited for the purpose of promoting Street Feast.

I acknowledge that Street Feast will treat my image/ material with respect and dignity. Street Feast does not need to seek my permission each time it wishes to use the imagery or written material but I understand that I may change my mind and withdraw permission to use by contacting Street Feast at any time in the future.

I understand that I am providing the material free of charge and I undertake not to seek any payment from Street Feast for use of the material.
