

So far, these are the counties participating in our library / street-chalk initiative. More counties will be added to the list in the coming days. Keep an eye out for changes!

If you are passing one of the libraries listed below in your county, do drop in and ask at the desk for your bonus box of street-chalk.

**Good luck and perhaps let us know if you found some by sharing a post on social media!
#streetfeast2019**
